

**WAIVER OF MALPRACTICE INSURANCE
FOR CANADIAN ARMED FORCES MEMBERS**

This acknowledges my understanding that dentists who practise dentistry in Nova Scotia must carry a minimum of \$3 million malpractice insurance coverage through CDSPI.

This further acknowledges my understanding that the waiving of this requirement by the Registrar applies only to the practice of dentistry within the Canadian Armed Forces, as coverage is provided by the federal government.

Before practising dentistry in Nova Scotia outside a CAF setting, I will satisfy the Registrar that I carry a minimum of \$3 million malpractice insurance coverage through CDSPI.
